

To assist you with uniform requirements for those starting in 2017, I have compiled a "Cheat Sheet" to make the process easier to budget and plan for. Order forms will be available on the Orientation days.

Children in Grades 1 to 3 at Craighall Primary wear the CPS school uniform 3 days a week and CPS sports uniform 2 days a week.

House t-shirts can be worn for sport practices and are compulsory for all inter-house activities. The houses are: Impala (yellow), Kudu (blue), Springbok (green), Duiker (red). These will be available for purchase towards end of January once children have been allocated to the respective houses. If you have siblings they are automatically in the same house.

All children are expected to swim – it is recommended that they purchase the school costume (if you already have a plain black speedo, this will suffice). Swimming caps will also be house-coloured.

Dry-macs are recommended as they are warm, comfortable and useful in the summer months for rainy days. School hats are compulsory. Blazers are not necessary for the foundation phase pupils.
