The aim of this booklet is to provide information about Craighall Primary School to parents and other members of the community. The education of children is a responsibility shared between home and school. We hope that this booklet will help to strengthen that partnership and lead to greater understanding and mutual support in our common task.

ABSENTEEISM

1. Should your child be ill unexpectedly, kindly contact the school office early in the morning to inform one of the secretaries. Your message will be passed on to the teacher concerned.
2. If it were known in advance that a child is going to be absent from school on a particular day, it would be appreciated if the class teacher could be informed beforehand in writing. Kindly avoid making doctor's appointments during school hours if at all possible.
3. On the day that a pupil returns to school after an absence he or she should bring to the class teacher a note, signed by a parent, confirming the dates of absence and reasons for it.
4. If your child is ill for three days or more a doctor's certificate is required.
5. Please note that it is the child's duty to ensure that all work that has been missed is caught up. The teachers will assist as much as they can in this regard.
6. If a child is absent for more than 10 consecutive school days, without a valid reason, the Principal may cancel the learners record in the class register on grounds of 'continuous absence'. This will require the parents having to re-register the pupil.

"ABANDONED" CHILDREN AT SCHOOL

Children may not be left at school until all hours of the afternoon and evening. This is a **TOTALLY UNACCEPTABLE** situation as these children are unsupervised, and often become major behavioural problems. This does not refer to children who are members of the Aftercare group (which closes at 17h30), or those who are attending the extra-mural activities (which generally end by 15h00). Please make other plans for the safety of your child in the afternoon. Please contact the school office if you wish your child to join Aftercare.

In the event of an unexpected crisis where you find yourself unable to fetch your child, please contact the school office to arrange for your child to join Aftercare on that day (ad hoc). Also ensure that your child knows that he/she should report to the office or a teacher to give permission for him/her to use the phone to call their parent to find out when they will be picked up. Children may not wait on the pavement if parents are delayed, as their safety is at risk.

Children who are on the school premises after 14h00 are expected to be booked into aftercare or into an extra mural activity. Children who are waiting for transport are expected to go to the Homework class until 15h15.

ACADEMIC

The school is co-educational and non-denominational. It caters for children from Grade 1 to Grade 7. A series of national guidelines are followed in accordance with the official CAPS Curriculum and Assessment Policy statement.

AFTERCARE FACILITIES

The aftercare facility is run by members of the school. Staff provide the children with a light lunch, insure attendance at extra mural activities and supervise their homework. It is a caring, safe and fun filled environment. The service is available on a regular or ad hoc basis and parents are invoiced at the beginning of each month, for immediate payment. The service runs from 14h15 to 17h30 each school day and **NO** child may be left waiting on the premises thereafter.

Further information and application forms are available from the school office.

APPOINTMENTS TO SEE TEACHERS

Should you wish to see your child's class teacher for any reason, please note the following procedure:

Send a note to the child's class teacher requesting an appointment. This may be done in a letter or in your child's homework book. The teacher will then contact you to set up a suitable time.

Should the matter be urgent, please **do not** visit the teacher in her classroom during school hours. This is very disruptive. Please report to one of the Secretaries to outline the problem and arrangements will then be made to contact the teacher immediately if necessary, or alternatively an appointment will be made at the teacher's earliest convenience. If necessary, the Principal will be informed of the problem and will intervene accordingly.

Kindly note that parents may not make unannounced visits to the classrooms during school hours.

ASSEMBLY

A full school Assembly is held at 07h40 on Thursday mornings for Foundation Phase Grade 1-3. On a Friday at 07h40 for Grades 4-7. Parents may be invited to attend special assemblies where awards are presented to their children or when special cultural days are celebrated.

ASSERTIVE DISCIPLINE

The focus of the Assertive Discipline program is on teaching students to assume responsibility for their own behaviour. They are taught that actions both positive and negative have consequences. With this proactive and preventive approach, teachers can go beyond establishing basic discipline in their classrooms to creating co-operative environments in which students learn to choose appropriate responsible behaviour.

The school rules are limited to 5 very simple statements that all children are expected to know:

- Follow instructions the first time they are given;
- Keep your hands, feet, objects and unkind words to yourself;
- Listen while someone is speaking;
- Look after all your property;
- Behave appropriately.

ASSESSMENTS

Foundation phase children are tested on spelling and numeracy as well as formal assessment tasks.

Grade 4-7 learners write cycle tests on a weekly basis as well as mid and end of the year examinations. They are assessed formally and informally on a continuous basis throughout the year.

AWARDS

With Craighall Primary's mission of building our children's potential, we firmly believe in rewarding excellence in academics, in the cultural areas and on the sports field. We also acknowledge achievements outside of school so please inform the School of achievements. An annual prize giving is held at the end of each year for the Foundation, Intermediate and Senior Phases.

BEHAVIOUR

We expect all pupils to behave in a way that contributes to the smooth running of the School.

When in the classroom, playground or out on a visit pupils must maintain a high standard of behaviour, courtesy and good manners. In particular we encourage respect for the individual, whether a teacher, another adult or a pupil.

A Code of Conduct for Learners, Parents and Educators and Administrative staff has been established. The objective of these is to ensure that pupils behave responsibly and are kept safe.

The following simple rules will ensure that a Craighall pupil will have a good day. Parents are requested to co-operate in helping children to appreciate the need for these rules.

Courtesy to fellow pupils and teachers is important. Bullying will not be tolerated.

Running on the corridors is never allowed.

Always queue outside the tuck shop - do not push.

It is a serious offence to write or draw on any walls, desks or floors.

Gum is not allowed in the school or on tour.

Help keep our school clean by picking up any litter.

Always be at school on time – 07h40 the latest.

Label all your personal belongings and uniform items.

Loyalty to our school and teachers is important.

Correct uniform is important.

Articles of ornamental jewellery are not allowed.

Remain safely within the school grounds until fetched - do not wait on pavements.

Extra-murals are fun - remember to be courteous and excuse yourself when you cannot attend.

Stealing another person's or school property is not allowed.

*"I will act in such a way that I will be proud of myself and others will be proud of me too.
I came to school to learn, and I will learn. I will have a good day."*

BOOKS

Books and stationery become more expensive each year. They should be handled and used with care. A reasonable school bag is essential for carrying them between home and school. Younger children, in particular, should keep their reading book in the plastic folder, which can be obtained from the uniform shop. Plastic covers are provided with new stationery at the beginning of the year.

Textbooks are loaned to the learners for their use during the year. These must be covered in plastic covers provided by the school. Fair wear and tear will be understood, but pupils will be required to pay for excessive damage to textbooks and media books and for loss of such books.

Exercise books and workbooks are purchased in bulk by the school on behalf of the learners. A compulsory additional fee per learner is charged at the start of each year.

The purchase of pens, pencils, crayons and other items of personal stationery is the responsibility of the parent. Stationery for pupils from Grade 4 – 7 requirements for the forthcoming year are issued to parents with the learner's final report for the year. Grade 1 – 3 will have stationery supplied to them.

CELL PHONES

Although many parents view cell phones as a necessary tool in today's times, we discourage the use of expensive smart phones. Cell phones are collected at 07h40 and stored in a safe until the end of the school day when they are returned to their owners. All phones must be switched off during school hours. Our cellphone policy has to be signed in order to have a phone on the property.

CHANGE OF DETAILS

Updated personal details are essential, especially in an emergency. Please notify the school of any change of details as soon as they occur.

CLASS PARENTS

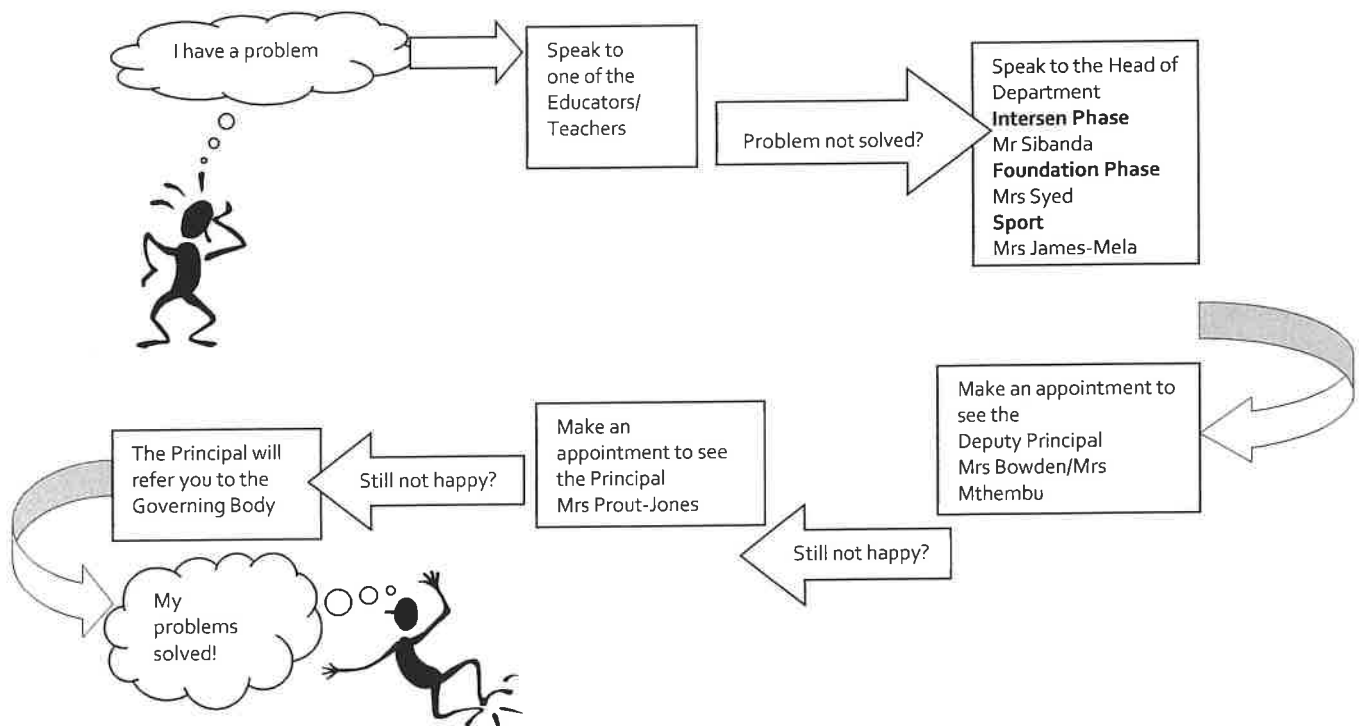

Class moms or dads are the critical basis of our communications system within the school. Parents are nominated at the beginning of each year and they communicate with all parents should the need arise.

COMMUNICATION

Regular newsletters are sent out on a Thursday on a fortnightly basis to parents. Various newsletters may be sent out on other days so please ask your child/check your child's school bag regularly. The AWSUM app is a tool that is user friendly as it gives daily updates.

Your child's homework book may be used to communicate with the educators. Should you require a meeting with a teacher, please contact the front office to make an appointment (see "appointments with teachers"), or you may request a meeting via the homework book.

The school has an established procedure for dealing with grievances, and we urge you to use this system to resolve any issues relating to your child or a staff member. The diagram will show you how to go about addressing a problem. If a sensitive issue is to be raised with a particular teacher please send a letter in a sealed envelope marked for his/her attention – Do not write in your child's exercise books or homework diary.

CURRICULUM

We follow the CAPS curriculum.

DISCIPLINE

At Craighall Primary we believe in the value of positive discipline strategies and use a number of methods to encourage and reinforce good behaviour. These vary at different stages of the school but include the awarding of merits, and the granting of privileges.

The class teacher deals with minor breaches of discipline. More serious incidents, such as dangerous behaviour, vandalism, bullying or racist incidents, or ongoing disruptive behaviour in the classroom are referred to the Heads of Department. The child's parents may also be told of the behaviour and asked to support the school in taking measures to help improve it. Sanctions may include staying in at playtime or writing a paragraph about why the behaviour was unacceptable. Continued poor behaviour may make it necessary to hold a formal disciplinary hearing which may lead to suspension or expulsion from Craighall Primary School.

Craighall Primary has adopted the Education Department's Anti Bullying and Anti Racist guidelines and pro forma for recording incidents. The school's multicultural, anti-racist and anti-bullying policies are contained in the discipline policy.

A Code of Conduct and Disciplinary Code for Learners has been prepared in accordance with the regulations laid down by the Department of Education. The document is available to all learners and parents in the homework diary or communication file. The reply page is to be signed by the learner and his/her parent(s)/ guardian and is returned to the school where it is kept in the child's file.

EVACUATION DRILL

The school has an evacuation procedure in place and evacuation drills are held at regular intervals.

EXTRA- MURAL ACTIVITIES

A wide range of school based and private extra mural activities are offered at the school. These include: soccer, swimming, cricket, athletics, netball, cross-country, hockey, rugby, music, choir, dance, drama, public speaking, art and chess. An extra mural timetable is issued to all pupils at the end of each term, for the next term. Learners are encouraged to participate in at least one activity per week.

FINANCES

All payments are to be made directly to the bursar's office or to be sent via the class teacher in a sealed envelope marked with the child's name and class details. Internet payments and Debit orders are accepted. Full details to be obtained from our Bursar.

GOVERNING BODY

The School Governing Body is made up of the Principal, two elected educators, an elected non-educator, five elected parents and then additional members who may be invited to attend to specific areas or portfolios. The names of the Governing Body members and their contact details are available from the School.

GUN FREE ZONE

Craighall Primary School has declared itself as a gun free zone and pupils may not bring guns (including water pistols, toy guns, etc), knives or any other dangerous weapon to school. Any such item will be immediately confiscated and will not be returned.

HOMEWORK POLICY

Homework provides an opportunity for parents to be informed about, and to be involved in, their children's education. It allows children to consolidate learning, to practise skills, to learn facts and to prepare for future class work. It also encourages self-discipline, independence and the development of good study habits. Homework may be set in any area of the curriculum. Parents are asked to help their children by providing a suitably quiet place in the house with as few distractions as possible, and to encourage them to do homework at a time when they are not too tired. They are also requested to inspect their children's homework and to sign in the homework book every day. The purpose of this request is to ensure that parents know how much homework has been given and have seen the completed work. The assistance of parents in ensuring that homework is done efficiently, thoroughly and regularly, is valued by the educators. Parents should tell the class teacher if there have been problems with the completion of homework, either if their child has had difficulty with it, or is finding that it is taking too long to complete.

HOUSES

The School has four (sports) Houses and each pupil is placed in one of the four houses. The Houses are: Springbok (green), Duiker (red), Kudu (blue) and Impala (yellow)

INTER-HOUSE SPORTING ACTIVITIES

The annual Inter-house gala takes place during the first term and Trials for the gala happen a couple of weeks beforehand. It is compulsory for all learners to participate in trials.

The Inter-House Cross Country event takes place at the start of the Second term. All pupils are expected to participate.

An official record is kept of late arrivals. Repeated lateness must be explained to the class teacher in writing or by telephone.

Regular late arrivals will be reported to the Principal and, if necessary, to the Department of Education.

LOCKERS

The School has a number of lockers which may be hired for a small fee by pupils for the duration of the school year. Pupils are encouraged to make use of the lockers to secure their possessions and avoid carrying heavy bags around throughout the day.

Learners have two short breaks during the school day, one from 0940 to 10h00 and another from 12h00 to 12h15, , Foundation Phase children get an opportunity to eat at 09h30. We ask parents to ensure that children bring healthy food to school each day. Please keep sweets, cakes, chocolates and fizzy drinks to a minimum. The tuck shop is open at both breaks as well as after school.

MANNERS

All children are expected to greet all adults. Staff that are known to them should be greeted by name. If the person is not known, then the greeting 'Good morning/afternoon, Sir/Ma'm should be used.

MEDIA CENTRE

Craighall Primary has a well-equipped media centre and learners are encouraged to make use of the centre both as a source of research and for reading pleasure. The media centre is open during the school day and after school hours from 14h00 to 15h15.

MERIT SYSTEM

This system has been implemented not only to reward, but also to inculcate positive social skills and good behaviour as well as encourage hard work within the student body as a whole.

- Grade 1 – Grade 3 teachers operate the system using a merit slip pasted into the child's homework book.
- They receive merit badges and it is a great event in a child's life when they are called up on stage to receive these badges. The badges come in units of 30, 60, 100, 150, 200 and 250. The children start again from scratch the next year. A trophy is presented at final assembly for the top merit achiever.

MONITORS

The staff chooses approximately 25 Grade 7 monitors at the beginning of each year. Their duties are varied and include: helping staff to monitor the classes, administrative duties, checking of school uniforms, neatness, etc and monitoring of designated areas on the school property at breaks and before and after school.

MySchool SUPPORTERS CARD

MySchool is a programme that allows parents and the extended family to assist in raising funds for the school. All that is required by you to present the MySchool card to participating stores and a small sum is given to the school with each transaction.

NECK PURSES

It is compulsory for children to carry his/her money in their neck purse that is then tucked under their shirt. This means that their money is safe at all times.

NEWSLETTERS

A Newsletter including **Newsflashes and Classified Ads** is issued to each pupil on a regular basis every two weeks. Please ensure that you receive and read this important communication.

PARENTS' EVENINGS

These are held at the end of the first and third term. They afford parents the opportunity to meet class teachers and to discuss their child's reports and any other issue relating to their child. Parents who wish to discuss any aspect of their child's progress in more detail are asked to make an appointment with the teacher/s at a mutually convenient time.

PARENT PARTICIPATION

Parents play a critical role in the educator, child, and parent triangle and with the parents' contribution – not only monetary contributions - but involvement, the school is a better place for our children to learn and grow. The school can only maintain its good reputation with the help of the parents and every single parent has something to offer. Watch the newsletter and communicator as the School often calls for assistance with our busy schedule throughout the year.

PARENTS, TEACHERS & ADMINISTRATORS ASSOCIATION (PTA)

The purpose of the Parent-Teachers & Administrators Association is to encourage active co-operation between the school and the home in the interests of the education of the children. Membership is confined in the first instance to the parents or guardians of children attending Craighall and to members of staff of the school. The School has a very active and hard working voluntary committee, known as the PTA, who run a number of educational, social and fund raising activities throughout the year, and help with a variety of school events such as the children's Christmas parties, sports days, etc. They encourage the interest and involvement of all parents in these events.

PLAYGROUND RULES

The school has two playgrounds – one for the Grades 1-3 pupils and the other for the Grades 4-7 pupils. Members of staff are on duty during breaks, as well as before school from 07h10 to 07h40. Children are expected to adhere to the code of conduct at all times.

RECORDS

The school maintains an individual record folder for each child in the school, which contains, in addition to the personal details given on enrolment, a record of the child's progress, attendance, disciplinary record, and information about any special distinctions and achievements as well as letters of warning/ disciplinary issues etc. Where appropriate the record will contain information about any special health problems or dietary restrictions and there is a note of the name of the person to contact in case of an emergency.

The whole record, which is confidential, is passed on with the child when he or she transfers to High School, or to another primary school.

RECYCLING

The school actively participates in recycling and runs a paper collection throughout the year and holds inter-class competitions each term. The school benefits financially as we are paid per ton of paper collected. Please send your paper recycling every Tuesday morning.

REMOVAL FROM SCHOOL DURING SCHOOL HOURS

It is a Departmental Regulation and School Rule that parents may not remove their child from the school premises during school hours without the prior permission of the **Principal**. Should it be necessary for your child, for any **unavoidable reason**, to be removed from the school, please ensure that a letter is addressed to the child's class teacher outlining the reasons and the time the child will be collected. The letter will then be sent to the Principal for the action to be condoned. Your co-operation in this regard will be appreciated particularly as the rule is applied in the interests of our pupils' safety.

REPORTS

These are prepared for distribution to each pupil at the end of each term. Reports are handed out and discussed with the parents at the parents' meeting at the end of first and third term. Parents have the opportunity to see their child's books and have a brief chat with the teacher/s. Should there be a need for a more in-depth discussion, an appointment can be made which is mutually convenient for early in the new term. In Intersen Phase, reports for first and third term include comments compiled by each subject teacher, the second terms reports only includes marks and the fourth term has marks for the year, exams and a general teacher comment.

RESPONSIBILITY

We are committed to guiding our children to take charge of their own lives and to face the future with confidence, courage and integrity. Please encourage your child to bring their correct equipment, sports kit etc to school and to take care of it. This minimizes interruptions in the class and the office during the day.

ROAD SAFETY

In the interests of safety on the school premises and the avoidance of traffic congestion, parents are not permitted to drive into the school grounds at the Grosvenor Road driveway to drop off or collect their children from the school. Parents may not stop or park across the driveway gate.

Rothesay Avenue becomes a one-way from west to east during peak hours, i.e. from 07h00 to 08h00 and again from 13h00 to 14h00. During these peak times Rothesay Avenue is a drop off zone only. Parking is permitted in Grosvenor Road only.

SCHOOL HOURS

The school day starts at 07h40. Parents are encouraged to drop their children off by at least 07h35 to allow time to get to class and settle in.

School closes at 13h15 for Grade 1 and 2 learners are to be collected at the Junior Gate. Grade 1 and 2 learners not collected by 13h30 are taken to the "waiting classroom" to wait for their parents or an older sibling.

Grade 4 – 7 end their day at 14h00.

On a Friday school closes at 12h00 for Grade 1-3 and 12h45 for Grade 4-7.

SECURITY

Personal property: Children should be reminded frequently by parents of the need to look after their personal property. The school cannot be held responsible for the loss of or damage to any articles of clothing or other belongings, which a child brings to school. Generally speaking children should not be allowed to bring valuables to school and should carry as little money as

possible. If children have to change for physical education or any other activity any money or valuables should be handed to the class teacher for safe keeping. All articles of clothing, books and other belongings should be clearly marked with the owner's name. Clothes, books and other valuables can be stored in lockers.

It is our policy, and a directive from the Parkview Police, that all the school gates are securely locked during school hours. A security guard is on duty at various points of the school from 06:00 to 17:00 each school day.

The **main gate on Rothesay Avenue** is open from **06h15 to 7h40** and again from **14h00 to 17h00**.

Children, who arrive at school after 07h40, should enter through the gate at the reception office.

The **small pedestrian gate outside the Grade 1 classrooms** will only be open between **13h15 and 13h45**. Parents are kindly requested to co-operate in this regard.

SPORT and CULTURAL ACTIVITIES

The School offers a wide variety of sports and cultural activities including:

Athletics	Cricket	Netball	Soccer

All teachers will have access to the school telephones if there is an emergency situation in the afternoon. However, all school telephones will be locked and inaccessible to pupils.

TRANSPORTATION OF PUPILS TO AND FROM SCHOOL ACTIVITIES IN PRIVATE VEHICLES AND IN THE SCHOOL VEHICLE

From time to time, assistance is required in transporting learners to sporting and other extramural events. Parent assistance with this is greatly appreciated.

It is the responsibility of staff and parents to ensure that their vehicles are not overloaded, in road-worthy condition and comprehensively insured in order to transport the pupils.

TUCK SHOP – TAP TUCK APP

The school has a privately run tuck shop on its premises. The tuck shop is open during the breaks and after school. It offers nourishing snacks and juices during the breaks and sales are extended to include sweets and crisps after school.

All items are also available from McCullough and Bothwell (Hyde Park Corner) and Attaché (Randburg Square & Benmore Gardens). Please refer to the Learners Code of Conduct.

VISITORS

All visitors are required to report to the office through the Grosvenor Road entrance. Other entrances are closed once school has begun. Parents are encouraged to set appointments with the educators so as not to interfere with the teaching process.

As far as possible the information in the booklet has been thoroughly checked for accuracy at the time of compilation but it is subject to changes.
