

EXTRA-MURAL TIMETABLE

COMMENCEMENT DATE: 2 April 2019

Craighall
PRIMARY SCHOOL

THE FOLLOWING POINTS CONCERNING THE EXTRA-MURAL TIMETABLE ARE MOST IMPORTANT:

1. The extra-mural timetable has been designed to involve as many pupils as possible. Thank you to the staff members and parents for their willingness to help in these extra-mural duties.
2. With a time-table of this complexity, there may be a few difficulties. Please try to solve them by writing or speaking to the teacher responsible for a particular activity.
3. Please provide a nutritious and healthy lunch on the days your child may be involved in an extra-mural activity. This is also very important when a child is participating in an event away from the school. (The tuckshop is open after school.)
4. When our children go to other schools for matches, they must wear their blazer or the official green tracksuit with the school badge, if possible, and according to the activity. **NEATNESS AND THE CORRECT UNIFORM IS ESSENTIAL.** Refer to the sports uniform list.
5. Please note that in the event of rain the teacher in charge of the activity will proceed to a classroom where a 'chalk and talk' session will be held. Should any activity have to be cancelled on the day due to the absence of the sports teacher, children should proceed to the Media Centre to do the homework while waiting to be collected.
6. It is essential that children use school kit bags and please ensure that all items of clothing are **CLEARLY MARKED**.
7. Due to the harsh sun our policy is '**no hat not play**'.
8. Children need to bring a water bottle (clearly marked with their name) for all sporting activities.

Correct sports kit must be worn at all matches and practices. No exceptions will be made. CRAIGHALL PRIMARY SCHOOL SPORTS UNIFORM IS AVAILABLE AT OUR CHARLIE BUCKET'S SCHOOL SHOP AS WELL AS STOCKISTS.

SPORTS UNIFORM – SECOND TERM 2019

Please ensure that your child is correctly dressed for sport. Not only is the uniform conducive to the discipline of the activity, but it is also very important to ensure the correct image – smart, well turned out, disciplined sportsmen and women. Failure to be dressed correctly may result in your child not being permitted to participate in matches on that day.
