

2026 School Year – Senior Phase Gr4 to Gr7

This Uniform Guide is to assist with the purchasing of uniform for new pupils in the **senior phase Gr4 - 7**.

- Pupils wear full uniform 5 days a week. They are expected to change for Phys Ed and extra murals at school.
- House colour t/shirts are only worn for inter-house activities. These will be available for purchase once children have been allocated to the respective houses. If you have siblings, they are automatically in the same house.
- Swimming is compulsory – children wear the school costume or a plain black one. Swimming caps are compulsory and goggles are recommended.
- **School hats are compulsory.** Blazers are optional but preferred over the Dry-Mac by the senior phase pupils.
